

Hi People,

Below is a calendar with prompts for each day. You are to complete a **fully detailed drawing** for each day that I am absent. For example if it is October 8th you do the prompt in the box marked 8. If it is the 10th do the prompt in box 10. **All work will be handed in at the end of the period!**

- Name and section number and date on your paper = **10 points**
- The title of the prompt on the top of the paper = **10 points**
- Each drawing should be your interpretation of that assignment
- Your drawing should be fully finished and be a complete drawing = **70 points**
 - Not just the object on the paper = **minus 15 points for just an object**
 - Place it in a complete picture
 - More details better grade
- Add value, shading or color to your drawing = **10 points**
- All drawings will be graded in gradebook and count towards your report card grade
